I asked them to do a sweep for bulky items and carts. They won't remove anything at an active encampment though. Only locations that are illegal dumping.

I realize this is a vague request but could the team just drive these two blocks and check for carts and abandoned bulky items?

Councilmember Lee,

Good to see you virtually at the Northridge South NC meeting. The trash (mostly from homeless "recycling") is really building up. Lots of carts and bags and clothes. I've call LA 311, no response yet.

Please look into it

Northridge Resident and Business Owner
